Horringer Action points May 26

- **AP1 – TL & NC**
    - Consider putting the SID on the bus stop pole outside Lucas Cottages. Clerk has enquired re the ownership of the land on Westley Lane, TL suggested a site between The 6 Bells and Meadow Drive **- Still in progress**
    - Quote for new solar SID has been received. Awaiting confirmation of new sites before purchasing.
    - A form has been located to request new sites and new SID, this needs to be completed. **– The clerk has requested a meeting with highways to discuss a reply has been received today and will arrange a meeting.**

- Councillor training – It was discussed at NHP meeting that councillors would benefit from Planning training. NC contacted SALC, they do not have any training on planning scheduled in due to the changes in planning law. They have directed us to some material to read (will be circulated to all Cllr's). P Crofts has offered planning training to all Cllr's, it will consist of a 2 hour planning law training session. The new Planning Act was passed last year – and P Crofts can update the Cllr's on the changes in the planning laws. **AP2 – PC** P Crofts will make arrangements to run the course and send an invitation.

- Reports of rats on the estate – WSC have been contacted. **AP3 – NC to chase.**
