4.	Trevor Wells submission to the group – as previously circulated We need to refer T. Wells to the reply we sent to him earlier this year which asked questions about the land he is offering to the PC. He has suggested that we did not address this. (Action Point. - PC & NC)
5.	Ian Poole – Update on progress on the Draft Plan • Ian Poole spoke of the work that has started on the new WSC Local Plan. The call for sites has ended and we can expect an options consultation later this year. There will be an event on June 21st in Abbey Gardens when WSC will have a stand. • Our Neighbourhood Plan first draft should be ready by the end of June. After we have checked it for errors/ typos etc, and it has been agreed by the PC, the public consultation will go ahead and this will entail a drop in event and publicity leaflet. This will go to local authorities, amenity groups and utilities as well as the general public. This will be around September time. Around November it will be passed to WSC who will take over and the Inspectors report and referendum will follow. Ian has a few new issues to deal with relating to a Local Nature Recovery Strategy under the Environment Act. Also, he needs some supporting text from Abbi on the Ickworth Master Plan. (Action Point. AL) • He will also add something about the West Suffolk Hospital redevelopment.
6.	Any other business - NONE
7.	Date of future meeting & Close of meeting Tuesday 21st July 6.30pm. All members of the team requested to attend. We need to have read the Draft Plan and offer up any amendments or modifications to Ian Poole.
